Public Hearing for 2021 Budget:

Public Comment: None

Michael Durocher, Comptroller, "We are proposing no property tax increases. We are using \$950,000.00 of the unassigned fund balance to balance the budget. This is to keep the increase at zero. Our levy increase is .875. This is the tax we are collecting. Which amounts to \$7,614,000.00, which is below the 2% property taxes. We decreased expenses by 2.09% or \$424,400.00. The State Aid withheld at 20%, and we are budgeting a decrease next year of \$548,577.00. We are still hopeful that we can still get that depending of what happens in Washington DC. All contractual obligations have been met with no layoffs or furloughs in any department. Sales tax is budgeted at same level. Sales tax is down on average of 10% over the last 2 months. Health Insurance increased by 5% this year. Water/Sewer has no increase in rates."

Council President McCarthy, "What are the expenses lowered?"

Mike Durocher, "Most of them came from canceling the Music Hall Contract and not filling positions that are vacant."

Council Member Briggs, "Last year we put in the budget, fund balance use of \$600,000.00. When is the last time we actually used the fund balance?"

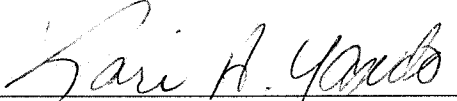

Mike Durocher, "Every time we budgeted the fund balance, we never had to use it. Just because we are putting \$950,000.00 into the fund balance, does not mean we have to use it. It is there as a place holder if we need it."
